

Use the questions below to prompt discussion of the DCA results with the DIT team and leadership.

- **Are the results consistent with the EI's fidelity measures or other data sources? If yes, how so?**
- **What stands out to you? Any trends seen?**
- **Identify the areas of strength of the district. Is this representative and consistently seen across implementation sites (e.g. buildings)?**
- **What celebrations or major events, milestones, or actions have occurred?**
- **What are areas of opportunity for action planning? Thoughts on these or responses?**
- **What are possible barriers to making progress?**
- **Would other groups of stakeholders or leadership teams generally be in agreement with these results?**
- **How could these results be utilized? With whom do they need to be shared?**
